

## System Requirements

JMRE on-line courses require the following:

- Microsoft Internet Explorer version 5.0 or above must be running on a Windows PC.
- Javascript on your browser must not be disabled.
- The resolution on your screen must be at least 1024 x 768.
- This software is not compatible with the Apple Computer operating system unless you have the Microsoft Emulator software installed and use the Emulator software when gaining access to this program.
- To access ancillary resources in the program, you need Adobe Reader.
